About Us

In October of 1999, friends and family came together to open up an authentic Mexican restaurant in Torrington, CT. When you walk in, they want you to feel like you're more than a customer ordering food - you are a friend, you are family coming in for a good meal and good times. More than 20 years later, Dos Amigos Restaurant continues to provide that feeling for people. When you come in for the sizzling fajitas or signature margaritas you are left with more than just a full and satisfied belly, you've gained unforgettable memories as well. Our staff is one of a kind, providing excellent service and creating the fun and comfortable atmosphere that continues to bring people back. Dos Amigos was built on friendship and it continues to flourish on East Main because of the food we make, the friends we celebrate, and the fun we have every day.
